## REGISTRATION WITH THE ELECTRONIC ENGINEERING TECHNICAL DIVISION

The Electronic Engineering Technical Division of The Institution of Engineers, Malaysia is keen to increase its current membership in order to have a more effective participation in its activities. This would enable the Division to fulfill its objective, thus promoting and advance the science and profession of electronic engineering and to foster the involvement of its members in national as well as international activities related to electronic engineering.

Members who are interested to contribute towards this objective are invited to register with the Division. For that purpose, kindly complete the enrolment form below and return to us as soon as possible.
